

PRODUCT SAFETY RECALL

Value Pack Dry Roasted and Salted Pistachios 500g

Best Before: 20 AUG 09

Nut Producers Australia is conducting a voluntary recall of the above product in response to information from our supplier that the imported product from the United States of America potentially contains **Salmonella** bacteria.

Symptoms of **Salmonella** poisoning are vomiting, diarrhoea and abdominal pain which persists for more than 24 hours.

Any consumers concerned about their health should seek medical advice. Consumers are asked not to consume this product. If consumers know they have the affected product they should return it to the place of purchase for a full refund.

This voluntary recall applies only to the above product with the corresponding best before date. This voluntary recall is being undertaken to ensure the safety of our customers as an ongoing commitment to maintain the highest possible standards of safety and product quality at all times.

We apologise for any inconvenience.
